BENIFITS OF KOREIN SOLID SURFACE

Speedy ultra-hygienic effect and action on representative bacteria and fungi

Excellent Ultra-Hygienic retention and Confirm quality stability and durability

Material certification harmless to human body and environment (EPA, NSF, FDA)

Achieved SCS RECYCLED CONTENT CERTIFICATION which demonstrates our commitment to conserving natural resources. [SCS Recycle 6%]

SAFETY PROPERTIES

Obtained certification that guarantees sanitary safety and reliability harmless to the human environment such as Japan SIAA and US NSF and FDA.

Harmless to human body			Safe for food contact	Eco-friendly
				
SIAA Society of International sustaining growth for Ultra-Hygienic Articles	EPA US Environmental Protection Agency	FDA US Food & Drug Administration	NSF National Sanitation Foundation	Eco-Friendly SCS Global Services
